

Updates for Paperless e-Stamping amendment to API with effect from 15.02.2022 for West Bengal State

We invite the attention of NeSL DDE users (registered Banks and NBFCs) to take note of the following changes in the DDE API request.

We are currently live with paperless E-Stamping for the State of West Bengal. We refer to our communique No. **NeSL/FC/2022/0046** dated 12th January 2022 ([click here](#)) advising DDE users to make changes in DDE API for West Bengal in view of incorporation of Other OVDs in API. The above API is expected to be deployed in production by **15th February 2022**. We request you to plan your API production movement accordingly and avoid disruptions.

Your feedback is important to us and we welcome any suggestions to improve our services on a continuous basis. Please write to us at suggestions@nesl.co.in with your suggestions, if any.
