

**Technical and Functional Upgrade of Fingerprint L1 Registered Devices –  
Aadhaar Authentication Ecosystem**

We invite the attention of NeSL IU & DDE registered users to take note of the latest circular issued by UIDAI dated 06-03-2025 regarding the Technical and functional upgrade of fingerprint L1 registered devices from Aadhaar authentication ecosystem. (Refer annexure 1 for UIDAI circular)

The stipulated sunset date of L0 fingerprint registered devices is 31.03.2025. For ensuring the uninterrupted services at your end, it is requested to take all precautionary measures to complete the migration process within date.

In this regard, we request you to plan accordingly and make sure that L0 Registered Devices will not be used for Aadhaar based Digital Signature process with effect from 1<sup>st</sup> April 2025.

Your feedback is important to us and we welcome any suggestions to improve our services on a continuous basis. Please write to us at [suggestions@nesl.co.in](mailto:suggestions@nesl.co.in) with your suggestions, if any.
