Rajasthan Stamp Duty Calculator

We invite the attention of NESL DDE users (Registered Banks and NBFCs) to take note of the following:

The Office of the Inspector General Registration & Stamps Department, Rajasthan along with Stockholding corporation of India (SHCIL) has come up with an API for calculating the stamp duty in the State (Refer **Annexure 2** in Page 5 - Letter from SHCIL to The Inspector General, Registration & Stamps Department, Rajasthan on deployment of Auto Calculator dated 28th May 2025).

Below will be the changes w.r.t Rajasthan e-Stamping in DDE workflow:

1. The DDE API requests involving Rajasthan e-Stamping would get subjected to the Automatic stamp duty calculator API as part of the DDE execution.
2. Irrespective of the stamp duty amount passed by the submitting entity as part of the DDE API request, the stamp duty returned by the stamp duty calculator will be considered for procurement of e-Stamp certificate.
3. Submitting entities are requested to ensure that the Stamp duty amount passed as part of the DDE API request is as per the calculator rules to avoid any anomalies.
4. Before procuring the e-Stamp certificate, the user will be shown with the stamp duty amount returned by the stamp duty calculator as part of the DDE execution.
5. The document containing the stamp duty calculator logic is listed below in **Annexure 1** (Page 2).

NeSL DDE users are advised to select the right article code/stamp duty amount apt for the contract type. The responsibility for payment of stamp duty lies with the Bank/NBFC executing the document. NeSL is not responsible for any wrong selection of article code/ deficiency in payment of stamp duty.

Kindly incorporate necessary changes in your submission process of DDE-Rajasthan Transactions. **The Stamp calculator will be effective from 30.05.2025** (Refer letter in **Annexure 2**).

Your feedback is important to us and we welcome any suggestions to improve our services on a continuous basis. Please write to us at ddesupport@nesl.co.in with your suggestions, if any.

Sub:- Regarding software updations at the level of SHCIL for compatibility with the e-Panjiyan software of the State of Rajasthan.

Sir,

With reference to the above cited subject it is submitted that State of Rajasthan is updating its e-Panjiyan software for online anywhere registration of the documents and other related issues. For this software of SHCIL should also be required to be updated/amended accordingly.

In this regard I am enclosing the minutes of the meeting dated 16.04.2025 held on 07.04.2025 under the chairmanship of Secretary, Finance (Revenue) Department. In this meeting amongst other issues, following issues related to SHCIL were also discussed:-

1. Facility for Auto calculation of stamp duty on the documents (not compulsorily registrable) according to the stamp duty prescribed in the Fee Master available on the e-Panjiyan Portal.
2. Connecting the software of SHCIL with e-Panjiyan software for exchanging relevant/required information on the real time basis.
3. Merger of e-Receipt with e-Stamp.

On the above issues action at your level is required early. Therefore kindly do the needful and send the progress.

Yours Sincerely,

(Dr. Khushaal Yadav)
